# NUTRITION *and* ALLERGEN GUIDE

Zaxby's® Guests: All ingredient and allergen information was obtained from product vendors. Zaxby's cannot guarantee our foods are 100% allergen free. We use shared equipment during food preparation which could result in the cross-contact of allergens. Additionally, Zaxby's suppliers may use ingredients in their manufacturing facilities where trace amounts of allergens could come in contact with Zaxby's ingredients, or any product formula could be changed without prior notice to Zaxby's. We encourage anyone with food sensitivities, allergies, or special dietary needs to consult with their physician before consuming any of our foods. For information regarding the presence of allergens in our foods, please visit [www.zaxbys.com](http://www.zaxbys.com). Zaxby's foods are fried in a blend of highly refined soybean oil. The FDA does not consider this highly refined oil as an allergen; therefore, it is not included here. If you have any questions or concerns, please consult your physician before consuming these foods. Revised in November 2021.

2,000 calories a day is used for general nutritional advice, but calorie needs vary.
